Contract Terms

To guarantee rates quoted, the availability of sites requested, and all other terms of this contract, this contract must be signed and returned to the resort by _____ or the sites may be cancelled. Contracts are honored on a first-signed basis.

Reservation Cut Off Date Terms

The Reservation Cut Off Date for your group is 90 days prior to rally arrival date. Any sites blocked for your group that have not been reserved by this date will be released into general inventory and sellable to the public. Any reservations for the group made after this date will be made at the prevailing regular rate available at that time. Any cancellations after this date will be released back into general inventory and cannot be held for another group guest. Site numbers cannot be changed after this date.

Rates & Deposits

The rates listed above will be available for all group members for the dates listed above. A 50% deposit will be due at time of booking, and the remaining 50% due at check in. Guests must mention when booking if they will be staying longer. If the group changes the number of nights, the rates are subject to change. **Please see pricing chart for rates available on a specific number of nights. Rally rates can only be applied Sun-Thurs. No rally rates on Fri & Sat, holidays, or holiday weeks.**

Cancellation Policy

If individual cancellations become necessary, guests will have up to 48 hours before the date of arrival to make any changes or cancellations without losing their deposit. A \$10 cancellation fee is taken out of the initial deposit for every cancellation. If a rally cancellation becomes necessary, the point of contact will have sixty days from the date of arrival to cancel and re-confirm cancellation of the group without a fee. A rally cancellation is defined as 50% or more of a rally's reservations being cancelled.

Sites

The number of sites listed above will be blocked for 90 days from the date of the signed contract and will only be blocked for the dates listed on this contract. Sites will not be blocked for those guests wanting to stay longer; they must inform the Front Desk at time of booking if they plan to extend. Site numbers cannot be guaranteed outside of the dates listed. Guests wanting to stay longer than the contracted dates will be booked in sites based on availability, which may or may not include the blocked sites. If the group leader wants to move guests any time prior to the Cut-Off Date, it is solely the responsibility of the group leader to relay the information to those guests. Sites will only be added if all sites blocked have been booked and we have availability.

Check-In/Check-Out Times

Check-In time is 2:00 p.m. or later. Anyone arriving prior to 2:00 p.m. will be accommodated as soon as possible but should be advised that there may be a wait. Check-out time is 11:00 a.m. Anyone requesting a later checkout will be accommodated as best as possible. However, there is no guarantee that later checkout times will be available. Early check-in and late checkout availability is at the discretion of the resort and will incur a fee of \$10.00.

Adding/Reducing Rally RV Sites

The point of contact for the group is solely able to change the number of sites held in the block. **Sites can be added/reduced to a block any time prior to the Reservation Cut Off Date, based on number of sites and site types available at the resort.**

Special Request Policy

CreekFire RV Resort does its best to fulfill all special requests for rally's and individuals. However, requests are never guaranteed, and are subject to availability.

Reservation Procedures

Creekfire RV Resort will block a specific number of sites for guests to call and reserve. Guests are responsible for making their own reservations by calling the resort at 912-897-2855, at which time a 50% deposit will be due. Guests must identify themselves as members of the rally at the time of reservation to receive the specially negotiated rate. Guests are responsible for payment of all reservations and incidentals charged to their site. Creekfire RV Resort only accepts individually paid group reservations and cannot accommodate a group payment that would be disbursed among the guests.

Complimentary Sites

Complimentary sites **only** accepted if agreed number of days in site reservations are met in original contract. At 90, 60, and 30 days, we will evaluate the number of reservations for your group. If the number of sites in the agreement have not been reserved, an adjustment will be made on site rates accordingly. Prices are not binding until a final count of actual number of sites reserved two weeks prior to the contracted start date.
